

There are two ways to order our books: purchase *PDF* files or annual subscription to our eBook platform.

Purchase *PDF* Files: When you order Zeta Maths resources, you will receive a digital copy of the homework packs in *pdf* format to be used by your school for an unlimited period. An answer book will also be provided. When you order, the school is free to use the resource for the staff and pupils of the school and to share the resource with their pupils on a secure website such as *Glow, Edmodo, Google Classroom* or *Microsoft Teams*.
